

The DISC Wizard's

"How to Thrive in the New Economy"

In this 60-minute audio program, I will reveal several critical secrets absolutely necessary to thrive in the New Economy. You will learn:

- Why looking for **security** *at this time* is a waste of time
- The **absolute first thing** you must do to not suffer in this economy
- **Three strategies for thriving right now!**
- **What DISC type** has a distinct advantage now they've never had before

Plus, you will learn a simple, **step-by-step goal setting system** that works for every DISC style and is guaranteed to get you results.

1. Why looking for **security** *at this time* is a waste of time

3 Things I'm Most Worried About Right Now:

- 1.
- 2.
- 3.

3. Three strategies for thriving right now!

One

Two

One thing I'm worried about right now:

What goal can I set right now that will help me?

M –

T –

O –

What's the first action I can take that moves me towards my goal?

Who can I ask to hold me accountable?
